BLVK

The BLVK Unicorn is a premium e-liquid manufacturer based in Southern California, established in 2016 by Ray and Kidd, BLVK Unicorn strives to bring clients and end-users an exceptional vaping experience with our flavorful product collections: BLVK, WYTE, FRZN, CHBY, SALT, MILK, & BOLD (Tobacco). Our product collections boast flavor combinations that can match the preferences of virtually any adult smoker looking for an alternative to combustible tobacco products.

Our products are not considered to be smoking cessation tools. The products under the BLVK Unicorn brand contain Nicotine, which can cause addiction and should only be used for those who currently smoke and not those who do not. Please exercise caution.

Naked

Naked 100 E-Liquid is one of today's most influential vape juice manufacturer in the industry, presenting a fruit-based flavor profiles with quality source ingredients for a sensational vape. It comes in a variety of signature collection, such as Cream, Menthol, Tobacco and Ice. See the full eJuice collection here at Element Vape.
