About Us

Saupin Legal was founded in 2006 by Dr Marc Saupin, the firm's Legal Practitioner Director.

Marc has years of negotiating and advocacy experience. He takes a hands-on approach overseeing all client matters. Marc was formerly with Minter Ellisons the [Legal Aid Commission](#) of WA Criminal Division, and before that he enjoyed a long and successful international career with various agencies of the United Nations.

Natalie joined Saupin Legal in 2016 following a successful career in industry and after earning her LLB with distinction from Charles Darwin University after taking out top honours in just about every subject, most notable being the Dean's Award and Attorney General's Award for excellence. Natalie has an inquiring mind and is able to solve complex property and financial matters in building & construction law cases and family law cases.

Through the establishment of Saupin Legal, Marc and Natalie have been able to apply his expertise and experiences to a diverse mix of legal cases and clients, creating a practice grounded in trust, responsiveness and dedication. Saupin Legal has become one of Perth's most sought after law firms.

The company offers a range of services, specialising in
